IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant:	Ioan Sauciuc et al.	Examiner: Nihir Patel
Serial No.:	09/897,793	Group Art Unit: 3743
Filed:	June 29, 2001	Docket: 884.496US1
Title:	METHOD AND APPARATUS FOR DISSIPATING HEAT FROM AN ELECTRONIC DEVICE	
Assignee:	Intel Corporation	Customer No: 21186

COMMUNICATION REQUESTING NOTICE OF ALLOWANCE

MS AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicants note that PAIR records for the above-identified application indicate that a Notice of Allowability was prepared by the U.S. Patent Office on October 1, 2004. After a number of telephone conferences with, and/or voicemail messages to, Examiner Nihir Patel, the Examiner's Supervisor Henry Bennett, and GAU 3743, in December 2004, January 2005, February 2005, and March 2005, a Notice of Allowance has still not been received by Applicants. Applicants were told by Examiner Patel that a Notice of Allowance still had not been mailed by the U.S. Patent Office as of March 2, 2005 and that he would assist in this matter.

Applicants provide herein a more detailed history in connection with this matter, for the purpose of expediting receipt of the Notice of Allowance. Examiner Patel agreed to allow pending claims 31-40 during an interview with Applicants' attorney, Andrew Peret, on July 14, 2004 and also previously allowed pending claims 1, 3-8 and 12-14. The Amendment filed with the U.S. Patent Office on July 19, 2004 in response to the Final Office Action of June 29, 2004 canceled all but the allowed claims. When the Notice of Allowance was still not received or even mailed on the final six-month deadline, December 29, 2004, Applicants filed a Notice of Appeal as a precaution.

Accordingly, Applicants respectfully request that a Notice of Allowance regarding claims 1, 3-8, 12-14 and 31-40 be mailed to Applicants' Representative as soon as possible.

COMMUNICATION REQUESTING NOTICE OF ALLOWANCE

Serial Number: 09/897,793

Filing Date: June 29, 2001

Title: METHOD AND APPARATUS FOR DISSIPATING HEAT FROM AN ELECTRONIC DEVICE

Assignee: Intel Corporation
